

Quarterly Planning Review

Synthetic corpus deck 01 — title and bullet slides

Five levels of bullets

- Level one: the main point of the slide
 - Level two: a supporting detail
 - Level three: a finer detail
 - Level four: rarely used
 - » Level five: the deepest level
- Mixed runs: **bold**, *italic*, underlined and coloured
 - Back to level two after a level-one item

Numbered steps and alignment

1. Collect the feedback

2. Group it by theme

a) Sub-step a

b) Sub-step b

3. Decide what to build

- Centred paragraph
 - Right-aligned paragraph

Too much text: PowerPoint shrinks it to fit

- Line 1: a long sentence that keeps going to fill the body placeholder with words
 - Line 2: a long sentence that keeps going to fill the body placeholder with words
 - Line 3: a long sentence that keeps going to fill the body placeholder with words
- Line 4: a long sentence that keeps going to fill the body placeholder with words
 - Line 5: a long sentence that keeps going to fill the body placeholder with words
 - Line 6: a long sentence that keeps going to fill the body placeholder with

Two columns

- Left column
 - Point A
 - Point B

- Right column
 - Point C
 - Point D
